In the interest of the public and what is right, please do not vote in favor of SCEG's 9.5% rate increase request. It will be disgraceful if you all do. Many of my fellow neighbors, friends, etc. believe that the fox is watching the henhouse and that there is not an objective bone amongst you and your peers on the commission. Again, I implore you to vote against this increase, in its entirety, to prove them wrong and restore credibility and respect to your agency.

Sincerely,

Cynthia Salvo
